

Corporate Vehicle Solutions

In today's increasingly complex regulatory environment it is important to make sure you get the right legal advice. At Halliwells we can give you the sort of advice that makes a difference. With our experience in asset finance we know how things work and more importantly, how to make them work.

Our expertise covers:

- Unnamed/undisclosed agency
- Head funding as lessor or lessee
- Recourse arrangements
- Stocking plans
- Daily rental agreements hp or lease based
- Disposals and acquisitions of leasing books
- Structured Receivables funding
- Hp / finance lease / operating lease based structures
- Maintenance based solutions
- Employee car ownership and similar schemes

With the ever changing landscape affecting not only the regulatory environment and the commercial dynamics in the industry, but the constantly moving tax rules, we can help you to structure the transaction from the outset and assist you throughout to a successful conclusion.

Have you taken advice yet on:

Lease Reform changes

Which will change the profiles of your deals

Company Law Reform Bill

Which will change the underwriting on your deals

Security Law Reform

Which will change the security you take and will affect receivables funding
